DISCUSSION TOPICS

- **After School Craft** – Laura gave an update on the crafts. She had made a change to how the craft day was organized by splitting the different grades into two group and she felt the change made the event much better. The first two days were full. The third graders liked being separated from the younger kids so they could do more advanced crafts. She has organized another craft event for next week. Sharon asked if she had enough help and Laura said yes.
- **Box Tops Update** – She sent out papers for new Market Basket sweepstakes and she is also doing a Cowabunga contest. Another label contest is going on and she is collecting Labels for Education.
- **Website Update / Skydrive** – The website is up-to-date. Sharon talked to Laura, Tammy, and KC about using Skydrive to keep track of their projects and write “procedures” on how to run their programs.
- **Gift Card Fundraiser** – Sharon heard from Tammy Baker that it went well and she is planning a spring program.
- **School Deliberative Session** – The school deliberative session is on Saturday, February 9th. The 8th grade has offered to run a babysitting program that day. Sharon asked if the members thought it was worthwhile and several members thought it was. A motion was made to pay the 8th graders \$100 to babysit at the Deliberative session. The motion was seconded, and approved.
- **Spring Fundraising** – The group discussed organizing a yard sale on the CCWC’s Town Wide Yard Sale date. We would have drop off on Friday afternoon/early evening and would need people to help work on the day of the yard sale. The group present thought it was a worthwhile idea and voted to move forward with it. The group discussed several other ideas: selling carnations for Valentine’s Day, starting an annual raffle, and organizing babysitting for a parents “date night.”
- **Other** – No other topics were discussed.
